

The beloved longtime director of Glacier Camp and Conference Center, Rev Timothy Lanham, died unexpectedly on Tuesday June 23rd. We are all missing his great love and support for us and for the program. He was a special gift to so many of us both in Glacier Presbytery as well as his wider ministry.

Through eight faithful years of service to Glacier Camp, Tim taught and exemplified God's gift of abundant life. Tim is with Jesus, and with his late wife Gigi; celebrating with his loved ones and his Lord — but we will miss him dearly.

Tim wanted nothing more than for summer camp to thrive — and this mission continues on his behalf.

Interim Director Rev Risa Paul has been in place since Tim was hospitalized in early June, and she continues to faithfully steward this beautiful site through a joyful summer of outdoor ministry. We think of Tim so often as we hear the wonderful shouts and songs from the campers in worship and in play.

Summer camp carries on, strong and united, and Spruce Lodge, with weddings and family reunions and other special events, remains open for guest groups to connect with God and each other and enjoy Flathead Lake.

Plans are in the works for a memorial service here at the camp in the fall. More information will be announced in due course, and we hope you will join us to remember and honor Tim.
