

*Transform, Don't Conform!*

# Summer Theme

## *Transform, Don't Conform!*

“Do not be conformed to this world but be transformed by the renewal of your minds...”

*Romans 12:2a*

Join us for a transformative camp experience as the Spirit leads us to love God and love each other! Campers will learn to shine like light in the darkness, season life's blandness like salt, and find the less traveled road to life. Activities like games, crafts, and swimming will help campers make lifelong friends and memories!

## Our Mission

**We seek to Love God, Model Christ, and Serve Others.**

Glacier Camp is a community committed to sharing the love of Christ with our campers, helping them to grow in their relationships with Jesus and with others. As a smaller facility, our campers are able to form deeper bonds with their counselors and each other. Our summer staff come from a range of Christian traditions, and are carefully selected for their dedication to their faith and desire to share it with our youth. You can hear from some of them further down!

Campers will learn valuable skills from their counselors before getting the opportunity to help lead activities and worship at our Mini Camp. This is the perfect experience for campers who might some day want to be counselors themselves!

Our team is comprised of individuals who strive to live a Christ-centered life, sharing the joys of their faith with others. All staff complete a background check, first-aid training, and CPR training. Waterfront staff are lifeguard and safety certified through the Red Cross. Staff meet up two weeks before campers arrive for rigorous training and team-building. Individual staff profiles can also be found on our website.

*"Glacier Camp has been such an amazing part of my life the last three summers. Through working at the camp, I've learned so much about myself and the plan the Lord has for my life. **Having worked at the camp for so long, I've had the opportunity to see the growth it fosters in people's lives.**" – Aaron*

*"Glacier Camp was and is an escape from the real world for me. At camp I can find peace, courage, and strength... Coming to this place and taking the first breath is like a breath of renewal, a breath of something better. Being at camp strengthens my walk with Christ. **Serving our future generation is a blessing for me. When they are seeing my relationship with Christ, it makes them want to grow their relationship.**" – Ester*

*"Nestled by the shores of Flathead Lake, this camp was a world away from my everyday life. I woke up every morning to the sight of sun-kissed peaks and the sound of gentle waters – a daily reminder of nature's majesty and God's creation... **The simplicity of life here, away from the distractions of the digital world, brought clarity and focus on what truly matters – faith, relationships, and the beauty of the present moment.**" – Sophie*

If you or anyone you know are interested in serving as a Summer Staff member, applications can be found on our website. Staff members must be at least 18 years of age, and one year of college experience is preferred.
